

Investigator Gazetteer

Welcome to this short presentation about the [Investigator Gazetteer](#).

The [Investigator Gazetteer](#) lists Clinical Investigators interested in participating in clinical trials.

For Registration Terms please visit:

<https://www.clinicaltrialmagnifier.org/dr>

At present [The Gazetteer](#) includes US Investigators only.

Investigator Gazetteer

Each listing in the [Investigator Gazetteer](#) represents one single clinical investigator.

One study site can list several clinical investigators.

Organizations such as academic clinical trials centers, site management organizations or site networks are not allowed to register with [The Gazetteer](#). But their associated investigators are welcome to register.

Biography

Dr Karlberg has been awarded with a Medical Degree from the University of Goteborg, Sweden. He has obtained a PhD Degree in Anatomy and Cell Biology, and a BSc Degree in Statistics and Education also from the University of Goteborg, Sweden. Dr. Karlberg is the Founder of the Clinical Trials Centre at The University of Hong Kong. Dr. Karlberg acted as the Director / Professor of CTC between 1998 to 2011. During his Directorship CTC contracted 640 industry-sponsored trials. CTC has emerged to a leading clinical trial centre in Asia. The number of industry-sponsored clinical research projects has after 20 years of operation reached 1,200.

Notes

We conduct phase II, III and IV clinical trials. We have conducted over 20 studies in the last 3 years. The quality of our work was proven during regular monitoring visits, and also audits of our trials, which were triggered by high enrolment. We have dedicated and well-trained research staff with in depth knowledge in GCP.
